

# Canadian Journal *of* Environmental Education

Volume 25, 2022

The *Canadian Journal of Environmental Education* is a refereed journal published on an annual basis. It seeks to further the study and practice of environmental education by providing a thoughtful forum for researchers, scholars, practitioners, and post-secondary students. The publication and distribution of articles and reviews should contribute to Canadian thought and practice in environmental education and/or issues and practices of international importance to this field of study.

The views expressed in this journal are not necessarily those of the journal's editors, editorial board, or supporters. *The Canadian Journal of Environmental Education* publishes material that may represent divergent ideas, judgments, and opinions.

Production is made possible through the generous support of the Canadian Wildlife Federation, Nipissing University, Trent University, and Lakehead University.
